Occupational Therapy for Children

Dear Parents,

Welcome to Sensory Solutions. We would very much appreciate your assistance in **downloading our New Patient Forms from www.sensorysolutionsforkids.com**, and returning them **2 weeks** prior to your child's first scheduled appointment or evaluation. This information will allow us to plan for your child's session and treatment. If your child is being evaluated for handwriting difficulties, it would be very helpful if you could include some samples of his/her written work and artwork.

Our New Patient Forms include:

- Cancellation and Payment Policy
- Disclosure Authorization
- HIPAA Authorization
- HIPAA Form
- Informed Consent and Emergency Contact
- Rates and Payments
- Receipt for Payment
 - Please fill out the top portion of this form, leaving the date of service blank
 - Insurance companies require a diagnosis code on this form (ICD-10 code) which you can obtain from the referring doctor.
- Sensory Motor History

Payment for evaluations is due at the time of testing, in the form of cash or check. Written evaluation reports will not be completed until payment is received.

Thank you for taking the time to review and complete these forms. We look forward to meeting you and working with your child.

Sincerely Yours,

Teri Jetter, MS, OTR/L
Director of Sensory Solutions
